For School Personnel & Community Service Providers
working with preK-12 students with autism spectrum disorder (ASD) and related disabilities

PRACTICAL

APPLICABLE

CURRICULUM:

ENVIRONMENTAL CONTROL

**BEHAVIORAL/EDUCATIONAL
ASSESSMENT**

GOAL SETTING

EFFECTIVE TEACHING

**GENERALIZATION
TECHNIQUES**

Staff with extensive experience in diverse classroom and community settings conduct the training aimed at helping **educational professionals** from public, private, and charter schools and other related **community service providers** advance their knowledge and skills of working with individuals with ASD and a range of other disabilities.

Participants will:

- Shadow HANDS staff
- Work directly with individuals
- Learn information pertaining across ages, skills and settings

HANDS-ON

Training features:

- Small and large group discussion/activities
- Applications of principles with students
- Coaching and feedback towards effective implementation of the principles learned

**CE and graduate
credits available!**
